PUBLIC DEPARTMENT

Sir,

[illegible] IAHIS A[illegible]: Sri [illegible]ahurdas Thagomal--change of business report submitted.

Sri Thakurdas Thagomal a displaced person from Pakistan who was allotted to angalore town in Government Memo No.2296/50-2 dated 17.2.50 was granted a business loan of .500/- for a ready made goods shop. He applied for a change of business from ready made goods shop to mill cloth trade soon afterwards and also applied for an enhancement of loan but his request was rejected in Government Memo No. 2043-50-1 dated 17.5.50. He started a ready made goods shop but the business was not successful and he gave it up. He then began to agitate for a change of business and has been applying for mill cloth trade ever since. He started a restaurant in the meantime as permitted in Government Memo No.[illegible]82-51-2 dated 18.6.51 and was allotted sugar and maida in pursuance of Board's L.Dis.62.9[illegible]2-51-1 CC dated 18.6.51. In this business also he has not been successful and it is reported that he has been misusing the rationed articles and not maintaining the accounts properly. It is therefore proposed to suspend his permit for rationed articles.

The displaced person was married after settling in angalore. Though he has changed his business more than once his request for a retail mill cloth licence has been turned down repeatedly. He seems to be under the impression that he will thrive if he is permitted to trade in mill cloth and he has been sending a number of petitions. He sent up a petition in this connection even to the Hon'ble Prime Minister when he visited Mangalore last month. The Displaced person is of a recalcitrant type but in view of the fact that he has to eke out his livelihood in a place far away from his original home and that he will not be in a position to compete with local traders in a business which he does not know or for which he has no aptitude I recommend that as a last chance he may be permitted to change his business to retail mill cloth.

Yours faithfully,

[illegible]

For Collector.

Humble representation submitted by Thakurdas Bagoomul, Sind Refugee, Market Road, Mangalore.

Textiles - Mill Cloth - Issue of License to deal in, prayed for.

Sir,

I beg to submit that I am a Sind Refugee and I was given a loan of Rs.500/- by Madras Govt. to start a ready-made clothes business. That there being no sale for readymade clothes at this place I requested the Madras Govt. of grant me a cloth license. The Govt. of Madras then forced on me a Restaurant license (non-rice) and being a new to this business I was carrying on the aforesaid trade by preparation of sweets etc. in my house through my wife. That unfortunately for me my wife is now laid down on bed with T.B. and she is undergoing treatment in the General Hospital. In the circumstances I am put to very great hardships and my unfortunate lot is going from bad to worse.

That on 5th December 1951 I addressed a petition to the Hon'ble Chief Minister, Govt. of Madras to grant me a Retail cloth license and the Asst. Secretary to Government, Govt. of Madras in his endorsement No.136186/ND/51 dated 3.1.1952 has issued to me an order that the issue of fresh licenses to deal in mill cloth has been stopped by Government for the present. The said order has come upon me as a bolt from the blue. I am therefore constrained to address this petition to you hoping that you will be pleased to consider my case as a special case.

That while I was in Pakistan I was carrying on a cloth business and if a Sweetmeat business is forced upon me as is done in my case your good self may imagine

whether I would be able to carry on such a business successfully.

That my present circumstances are going from bad to worse and unless your good self comes to my rescue I shall be a ruined man.

I pray, therefore, that your good self may be graciously pleased to consider my miserable case with sympathy and order the grant of a Retail Mill Cloth License to me as a special case in consideration that there are only 4 Retail Mill Cloth licensees among the Sind Refugees stationed at this place.

For which act of sympathy and generosity I shall ever remain grateful.

Yours obediently,

This is to certify that Sri Thakurdas Bagoomul, Market Road, Mangalore, a Sind refugee who has settled now in Mangalore, is personally known to me. The plight of himself and his family is very miserable. He is in a very desperate state of mind. The facts stated in his petition are true. He deserves immediate help which he has sought for in his petition.

As regards helping a refugee like the petitioner, I think it is not proper to stick to the letter of any rule and refuse him the license to trade in Mill cloth, as the Madras Government had done. His case must have been treated as a special one by the Madras Government. It is absolutely necessary and urgent that the Union Government should consider his case favourably and direct the Madras Government to issue him a licence to trade in Mill cloth without any further unnecessary delay on grounds of technical or legal difficulties.

Humble representation submitted by Thakurdas Bagoomal Sind Refugee, Market Road, Mangalore-1, S.Kanara.

Sub:- prayer for grant of a Retail Mill Cloth License.

Sir,

I beg to submit that I am a Sind Refugee and while I was in pakistan I was dealing in a cloth trade. After my Rehabilitation I was given a loan of Rs.500/- and I was directed to do a Ready-Made Clothes business. There being no sale for ready-made clothes at this place I have been requesting the benign Government Authorities to grant me a Retail Cloth License from the year 1949 onwards-but all my prayers hitherto have been a cry in the wilderness.

p. 64 of (W).

That recently the Government of Madras was pleased to direct me to do a Restaurant business and myself having no experience in the said line I had to meet with losses and I have lost that what I had earned by my efforts in my cloth trade. That I was manufacturing some sweets and I was selling the same but as my products which were got manufactured by the inmates of my house viz. my sister and wife - now my wife is also ~~xxx~~ ill - and my conditions at present are simply miserable. When a cloth license was not granted to me I feel now that all doors have been closed down upon me.

Appl 2 of (9)

That on 5th December 1951 I have addressed a petition finally to the Chief Hon'ble Minister to the Government of Madras praying to grant me a Retail Cloth license without which that I would be constrained to lay down my life itself with my wife and child in the presence

22/52

of the Collector of South Kanara. I beg to submit here once again that my misery is on its increase and I do not see any way to keep my body and soul together in future.

When I heard that your Honour will be coming on tour to this district I feel bold to submit this my petition praying for a Retail Cloth License fervently hoping that you will throw a glance of pity and sympathy towards my unfortunate lot and extend to me your helping hand by granting me a Mill cloth License with the aid of which I shall be able to eke out my future livelihood and that of my family, of course without any further loan from Govt.

For which act of sympathy and generosity I shall as in duty bound ever remain grateful.

I remain,
Yours obediently,
